

# HARMONY PRIMARY SCHOOL & NURSERY

Well I think we are now firmly into Autumn. Please ensure children are coming to school with a coat especially when it is their Forest School day.

We have had the pleasure of the Fire Brigade visiting our P5s this week and I know they really enjoyed it.

Our Nursery children & P1s are FABULOUS! They have settled so well.

**HARVEST** - Please do not forget to bring in food items, they can be brought in any time from now to 9th October (a note was sent home indicating what types of food your child's class needs to bring, info on website). If you know of any older members of the community who could benefit from one of our Harvest Hampers could you please give their name and address to Ms McCullough in the Hub.

**PHOTOGRAPHS** - Family photos are on Thursday. We have tried lots of ways to try and keep the waiting time to a minimum. Unfortunately nothing seems to work! You have from 8.45-10.30am to come and get family photos taken. Please ensure you have registered with the QR code

Have a lovely weekend, Mrs E. Johnston
