

HARMONY PRIMARY & NURSERY SCHOOL

What a week it has been with the weather! It has been wonderful seeing the children (and yourselves) and catching up with you about Christmas. Our Open Days were really successful, it was great to see so many families visiting our nursery and P1. Well done to all staff involved.

Do not forget to apply for Nursery & P1 places on the EA connect web page <https://connect.eani.org.uk/parent/> If you need any help with completing your online form please do not hesitate to contact school or speak to a member of staff.

A massive THANK YOU to Mr Todd - he has been out clearing ice and gritting paths in the early morning etc to ensure our school grounds are safe for our children. THANK YOU!

Pupil Assessments will be taking place next week - it is really important that all children attend everyday to complete these.

It is great to welcome back Mrs Blackadder to P6. We want to thank Miss Pattison for covering from October - December and hopefully we will see her back in Harmony.

Have a great weekend

Mrs E Johnston
