SPRING 1 TERM

Using Our Pupil Voice

This half-term we met together as a council to discuss our views on assessment and homework in school. School Council were happy with doing tests on the iPads. They felt that this made them less anxious and that it didn't feel like they were doing a test. Their views on homework is an area in the Summer Term we will be looking at.

KS2 When I Grow Up Day

Monday 16th March 2026

At Harmony, we are excited to host a Job Fair which will showcase a range of different careers to inspire our KS2 pupils.

We have the pleasure of parents and family members showing KS2 pupils the different careers they do by chatting to pupils, doing some demonstrations and having activities linked to their careers.

Pupils from P4/5-P7 are invited to come to school dressed in the career they wish to be when they're older.

KS2 Jobs Fair

School Council and Mrs Campbell came up with the idea of a KS2 Jobs Fair to showcase the careers of our families in Harmony. School Council felt that this would help influence pupils on their future paths.

School Council delivered toiletries and gifts from our pass the parcel donation event to Corkey House. The residents and staff were very grateful. We were living our school value of compassion.

WATCH THIS SPACE FOR OUR SPRING 2 TERM PLANS

- ✓ KS2 Jobs Fair
- ✓ Contacting Brian Kingston to see if EA gave a response to our crossing patrol issue.
- ✓ Mrs Campbell has contacted other School Councils in the Shankill area for our Councils to come together for a day in the Summer Term.
- ✓ Visiting Corkey House to play board games with the residents.
