

HARMONY PRIMARY & NURSERY SCHOOL

Well done to all our footballers this week who played really well and represented our school with pride!

Please find reminders for next week, it is a very busy week! We will be engaging in lots of reading activities to help us celebrate **World Book Week**. Homework will be based around reading and we really encourage you to talk about reading and your favourite books at home. We can not wait to see the beautiful paper plate book scenes our pupils create, we will be displaying these in the assembly hall.

Please check your child's class Seesaw as information has been posted inviting some of you to come to school and take part in reading activities with your child (all very informal and fun).

I have loved receiving photographs and messages of our pupils showing compassion and kindness. Please keep sending these in for next week as we continue to look at our school value of COMPASSION.

Have a great weekend.
Mrs E. Johnston
